

BEASLEY & PARTNERS

Peter Beasley has been in the Estate Agency business approaching 30 years – ironically starting out in Woburn, then into Milton Keynes, before returning to Woburn Sands to start his own business in 1994, which is now a highly respected, independent residential sales and rental agency.

Beasley & Partners predominantly cover the local Buckinghamshire and Bedfordshire villages, surrounding Woburn Sands, including the south-eastern corner of Milton Keynes. All our staff live locally and we see many new and familiar faces in the office, either through recommendations or returning clients. We realise that moving home is one of the most stressful things you can do and we are sensitive to your needs. We will support you from start to finish with a personal, friendly service.

Free valuations are offered for both sales and rentals with good local knowledge and

impartial advice available at all times. Beasley & Partners offer up to the minute marketing, which includes full colour particulars with external and internal photographs, local property press advertising, websites and email facilities. Properties can be found on beasley-partners.co.uk or rightmove.co.uk. By instructing Beasley & Partners to sell or rent your property, you will gain access to a vast number of potential buyers and tenants.

Our office is open 6 days a week and we can arrange 'out of hours' appointments for both valuations and viewings. We are NAEA registered and offer support throughout the sale/purchase process by liaising closely with solicitors and other parties involved in the transaction.

We would love to hear from you whether you're a Vendor, Purchaser, Landlord, Tenant or even if you would just like some advice or a professional opinion.
