

SPOTLIGHT ON:

The Car Doctor Express Body Repairs

re-launched and with it they have added a "Price Match" to their free estimate service. They say it's really simple; if you supply them with a written or emailed quotation, from a VAT registered repair centre within a 15 mile radius of their bodyshop, they will match it.

They have also added a "CashBack scheme". If you have had an accident and want them to complete repairs through your insurer, they can provide CashBack to help towards your excess.

The Car Doctor reminds customers it is the customer's choice who repairs your vehicle and not your insurance company, as much as they may try to tell you otherwise (*information from the OFT website*).

They will supply you with a courtesy car and all work is fully guaranteed. They will also only use genuine manufacturer parts for your insurance repair. Full details are on the website.

Over the last 6 months The Car Doctor have invested into their premises and added a new customer waiting / reception area.

How to get in touch?

Contact us on **01908 969495** or email **terry@cardoctoronline.co.uk** with some photos of the damage for a free no obligation estimate. Or pop down and see them at Unit 2 Water Hall Farm, Salford Milton Keynes MK17 8AZ – opposite the Red Lion Pub. The opening times are Monday to Friday 8 to 5pm and Saturday by appointment only.
