

SPOTLIGHT ON:

The Car Doctor Express Body Repairs

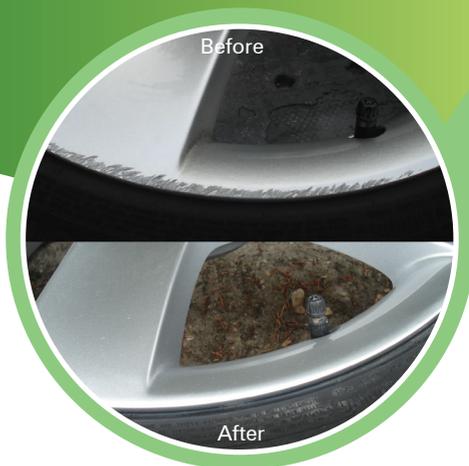

Terry Dimmock has been in the car repair business since 2004, and is proud to announce the opening of The Car Doctor Express Car Body Repair and Alloy Wheel Refurbishment Centre at Waterhall Farm in Salford.

Terry says, "The idea has been in the making for a long time. I always wanted to open an express car care centre encompassing all of The Car Doctor mobile unit's principles and bring them together under one roof. I have carefully selected equipment, suppliers and my team to ensure that our existing customers continue to receive the service they got when they used The Car Doctor mobile unit, and new customers will find us a friendly, knowledgeable family run business with the customer at the very heart of what we do. The number one priority is getting you back on the road in your vehicle as soon as possible."

The new unit is designed for the public to use as a quick stop car body repair shop and alloy wheel refurbishment centre and focuses on: **minor accident repairs, lease returns, pre sales preparation, alloy wheel refurbishment and customisation, S.M.A.R.T repairs and interior repairs. Much of their work is for retail customers and they also work for corporate clients, trade and fleet/hire firms.**

The Car Doctor's Express System works on booked appointments for the customer and a production line system to repair your vehicle. All works will usually be completed the same day.

Based in Salford, they offer a choice for you to drop the vehicle off or use their free collection and delivery service to surrounding areas.

With Winter fast approaching now is the time to get those scuffs, scratches, dents, alloys repaired. Local customers can use the code for a **10% discount** on your repair bill. So either come up and see us or call on 01908 969495 or 07931 971242 or email some pictures of the damage to terry@cardoctoronline.co.uk and **quote cardocwinter14 to get your discount.** Terms & conditions apply.

THE CAR DOCTOR
EXPRESS CAR BODY REPAIRS

Express Car Body Repairs & Alloy Wheel Refurbishment Centre
Same day or Next day - collection and delivery service

The Car Doctor's Car Care Centre is your local one stop car body and alloy wheel refurbishment centre. "our number one priority is to get you back on the road in your vehicle as soon as possible"

Our centre is a far cry from the traditional car body shop, we use innovative products, equipment and our vast knowledge to ensure perfect results in the fastest times.
