

SPOTLIGHT ON:

The Car Doctor Express Body Repairs

Although it's hard to believe, The Car Doctor Express Car Body Repair Centre celebrates its first birthday of trading from their unit in Salford this month!

We just want to say a huge thank you to all of our customers new and old for using and recommending us to friends, family and colleagues.

Staying true to our principles

When we decided to open our Express Car Care Centre we weren't sure how it would be received, but we have had loads of delighted customers and great feedback around our service principles of "getting you back on the road in your vehicle as soon as possible" and we continue to follow our mantra of being MK's best Express Centre for Car Body Repairs and Alloy Wheel Refurbishment, fast turnarounds, at great prices with no compromise on results.

Helping the public, trade and local business

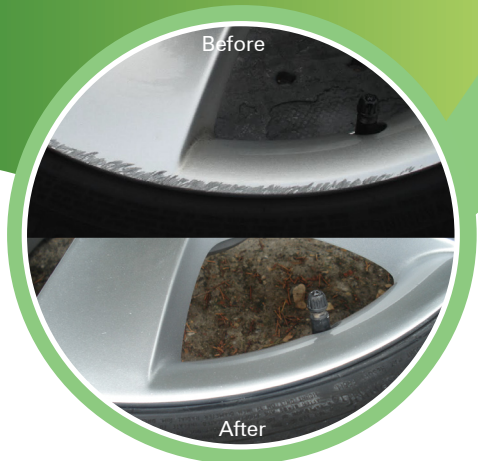

We have made some great relationships over the last 12 months with members of the public (some of whom we're sure would rather not have seen us quite so often!), local motor trade sites and car dealers, but one area we have really supported is local business lease car users. Whether you're a sole trader or have a fleet of vehicles we can help you save money on lease return and de-fleet costs, as well as keeping staff on the road with minimum inconvenience.

Giving back and supporting the local community

We think it is important to support our local community and are pleased to have sponsored in June and July the Woburn and Wavendon Football Club summer tournament, and sponsored the stage at the Cranfest as well as supporting smaller events with raffle prizes etc. We would love to be involved with more local events etc so if you are hosting an event or similar in the local area please contact us.

We also have a current Job Vacancy

Due to our continuing growth and success we require a experienced vehicle paint sprayer who

ideally will be experienced with repairing and refinishing all makes and models of cars. A full UK driving license is essential. Competitive rates of pay are being offered, based on skills, experience, etc. Contact Terry on 01908 969495 or 07931 971242

Finally in celebrating our Birthday we would like to offer 10% off any work completed in September and October 2015 please just mention this magazine when you call to book to get your discount.

THE CAR DOCTOR
EXPRESS CAR BODY REPAIRS

Express Car Body Repairs & Alloy Wheel Refurbishment Centre
Same day or Next day - collection and delivery service

The Car Doctor's Car Care Centre is your local one stop car body and alloy wheel refurbishment centre. "our number one priority is to get you back on the road in your vehicle as soon as possible"

Our centre is a far cry from the traditional car body shop, we use innovative products, equipment and our vast knowledge to ensure perfect results in the fastest times.
