

# SPOTLIGHT ON: Pecks Farm Shop

Winner of the FSB 2016 'Rural Business of the Year Award' as well as the 2011 CPRE Bedfordshire 'Living Countryside Award' which recognises enterprises making special efforts to enhance the rural appearance and biodiversity of the county.

Welcome to our family-run, award winning Farm Shop in rural Bedfordshire on the road between Hockliffe and Leighton Buzzard. We are proud of our huge range of quality produce and specialist gourmet, organic and deli products and work with independent suppliers who are as passionate about what they do as we are.

Established in 2002 at Stockwell Farm, Pecks Farm Shop offers great service and fresh produce. Our food ethos is simple... quality, freshness and locally sourced (where possible). The Peck family have been farming at Stockwell Farm for over 50 years with our herd of Friesian cows, and deliver fresh milk to homes and businesses in the local area. We also produce our own honey which is renowned for its delicate flavour. As a farming family, we have always cared about food – where it's from, and how it has been grown. We

care about what we, and our children, eat.

We look forward to welcoming you to our shop. We offer a wide range of fresh seasonal produce, cheeses, meats and confectionery, an extensive range of **hampers** including organic, gluten free and diabetic. We are open 7 days a week, or you can browse our **online shop** [www.pecksfarmshop.co.uk](http://www.pecksfarmshop.co.uk) selling our popular wicker basket Farmhouse hampers, fresh produce and gourmet deli treats. Or phone me on 01525 210281 for details of made to order hampers.

Please come & visit us soon for a real treat!
